

**AMENDMENTS**

Please amend the application as indicated hereafter.

**In the Claims**

Please amend the claims as indicated below. The language being added is underlined (“      ”) and the language being deleted contains strikethrough (“      ”):

1 – 28. (Canceled)

29. (Currently Amended) A portable grill apparatus comprising:

a grill having a hood and a firebox;

a burner assembly being disposed in said ~~grill~~ firebox, said burner assembly being capable of heating an interior portion of said grill;

a frame being arranged and configured to substantially correspond to said ~~grill~~-firebox and to receive and support said grill;

an ~~adjustable~~ retractable leg assembly extending from said frame;

a fuel connector in communication with said gas burner and extending outwardly from said grill, through a wall of said firebox, an ~~said~~ outwardly extending portion of said ~~fuel connector~~ including a valve for controlling the amount of fuel delivered to the burner assembly; and

a side shelf extending outwardly from said firebox, said side shelf having a substantially planar surface, the planar surface having a thickness and an opening configured to access the valve, the side shelf having a pair of prongs extending therefrom, said prongs ~~being arranged and configured to be releasably received by support members which are~~ disposed within the firebox.

30. (Previously Presented) The apparatus of claim 29, wherein said opening comprises a recess disposed in an edge of said side shelf.

31. (Canceled)

32. (Previously Presented) The apparatus of claim 29, wherein said valve extends at least partially through said opening.
